Dear Mr. Dulles:  
Greetings to  STAT  
you from   
We hope that our  
note reaches you  
personally and that it  
finds you well.  
During the  
past years my wife  
and I have read

and heard much about you.  
We know of your distinguished  
service as both a lawyer and  
diplomat. Your Brother is  
not the only famous Dulles  
although he has won the  
admiration of all peoples by  
his efforts to restore world  
peace. You, too, have helped  
make our country strong and  
loved by your unselfish  
service. We hope that your  
fame and success continue  
always.

Haven't you a photo  
or favorite picture that you  
will autograph especially for  
us? It certainly would  
be appreciated by all Dulles.
